**Irondog K9 International, Inc (IDK9)** is a 501(c)(3) nonprofit. We strive to equip, protect, and train law enforcement K9 teams. Through mailings, fundraisers, community events, social media, and our website ( [www.irondogk9intl.org](http://www.irondogk9intl.org)) we make the public aware that crime is ever-changing in our communities. For law enforcement K9 teams to effectively manage that crime to protect us, they must also change with the times. Unfortunately, in many cases, financial budgets are extremely limited, especially in the K9 departments. As a result, handlers and their K9s often lack advanced training and exposure to potential threats, until actually facing them, lack the proper equipment needed to best perform their duties, and, even worse, lack the funding for premier veterinarian care in the event of sustained injuries, resulting in untimely K9 lives lost.

With partnership through donations, Irondog K9 International identifies K9s and their departments to provide for their needs in these 3 key areas: Training & Education, Equipment, and funding for on-duty injury veterinarian bills.

We are proud to announce that on 05/02/2023 **Irondog K9 International donated K9 Cezar to Sheriff Brad Anders and the Pettis Co. Sheriff's Office** in Sedalia, Missouri (**A \$17,500 donation value**). K9 Cezar is a 2.5-year-old German Shorthaired Pointer-Labrador Retriever mix. Cezar came from **S.A.K9 Solutions EU** in Germany and was trained by **Kilo 2 Working Dog Kennels**.

K9 Cezar will serve the Sedalia, MO community with **Deputy Todd Asbury** as an **Explosive Detection Dog**. Cezar and Deputy Asbury will be attending an upcoming training with Kilo 2 Working Dog Kennels to certify as a team.

Irondog K9 International provides for law enforcement K9 teams, like Pettis Co. Sheriff's Office, through the donations of our supporters. Please visit [www.irondogk9intl.org](http://www.irondogk9intl.org), to learn more about us and how you can support the K9s.
